

The Only Liners with SkinGuard®

Skin-Friendly. Anti-Bacterial. Odor-Neutral.

SkinGuard® Technology silicone liners 6Y75 and 6Y85 from Otto Bock are made with an innovative anti-bacterial additive that protects against a wide range of microorganisms. The high-tech material helps increase comfort and durability, improves hygiene and reduces odor.

Best of all, the benefits of SkinGuard are now available for your transtibial **and** transfemoral patients who use shuttle-lock systems – and **at no extra cost!**
