

# The C-Leg<sup>®</sup> goes everywhere...

## ...including online. Otto Bock introduces online C-Leg<sup>®</sup> qualification.

Worldwide, the C-Leg<sup>®</sup> microprocessor knee has transformed how people get around. Proven outcomes and extraordinary stability have made the C-Leg the standard of care for your transfemoral amputee patients.

And now Otto Bock's microprocessor-controlled knee qualification course can be taken entirely online. After successfully completing the course and exam, you will be qualified to purchase and fit the C-Leg. You'll also get access to support from Otto Bock clinical specialists.
