

A black and white photograph of a man with a prosthetic left leg, smiling and carrying a mountain bike on a dirt trail. He is wearing a dark t-shirt, shorts, and a backpack. The background shows trees and foliage. In the top right corner, the word "ottobock." is written in a white, sans-serif font. On the left side, there are two overlapping circles: a larger light blue one and a smaller green one. The text "Quality for life" is written in white inside the green circle.

ottobock.

Quality for life

Confidence in coding

The C-Leg[®] stands alone. Here's why:

C-Leg is PDAC verified. Combine C-Leg with the PDAC verified Triton Vertical Shock Foot for a system you can code and fit with confidence.

Proven results. The most clinically evaluated MPK in history, with over 40 peer-reviewed, published studies since 1997.

We're in this with you. Call on us for pre-authorization support, clinical justification review, preparing for appeals and responding to denials.
