

Call for reimbursement information

The Harmony System is now unquestionably the most complete, comfortable, and life changing system on the planet.

The Harmony System will:

- Control volume fluctuation
- Reduce forces to the residual limb and liner
- Reduce moisture buildup
- Increase suspension and proprioception
- Provide unmatched comfort regardless of activity level

For more information or a product demonstration of the Harmony® System call us today at **800-328-4058** or visit www.ottobockus.com.
