

The Otto Bock C-Leg® is the #1 knee system for a number of great reasons.

1999  
50,000+  
50  
32+  
1,200+  
#1

The C-Leg® is introduced in United States.

The average daily number of valve settings which occur ensuring user stability and function.

The number of times per second the C-Leg's sensors gather data.

The number of countries fitting the C-Leg.

The rapidly growing number of U.S. prosthetists trained to fit the C-Leg.

Choice of patients and prosthetists around the world.

One more number you should know, 800.328.4058 (US.) or 800.665.3327 (Canada)  
Give it a call, and get your practice in stride with C-Leg.
