Style & Comfort MEETS Support & Protection

Finally, a line of therapeutic footwear that offers it all: comfort, style, protection and the widest array of sizes and widths in the industry. More than 60 styles for men and women suit every lifestyle and circumstance—from the boardroom to the trail.

PedRx by Propét is a line of Medicare approved footwear designed to help your patients suffering from foot pain and complications due to health problems, injury or overuse. All are in-stock, ready for delivery and all provide the kind of profitability you've come to expect from Propét.
