

125 kg / 275 lbs

PROTEOR invented the KEASY®, now we bring you **another innovation.**

For the elderly amputees.

GERY

PATENTED

Circle # 161 on Readers' Service Card

Do not look for comfort any more,
enjoy it now !

- Comfort :** soft EVA® foam and unique internal structure.
- Light weight :** the special foam contributes to make it 30% lighter than a S.A.C.H. foot.
- Easy step completion :** smooth rollover and symmetrical step of the sound leg.
