

Products from PRS allow  
amputees to choose  
their own lifestyle.

What will yours be?

If you are talking about cosmetic finishing, you should be talking to PRS. EZ Skin and Stretch EZ make the application of permanent skin seem like magic. U-Flate and One Step Ahead skin sleeves set the standard for removable skin sleeves. Advanced Dura-Limb resin makes laminations durable, easy, and affordable. The EZ Step Partial Foot is recognized world-wide for its cosmetic appeal, comfort, and functional capabilities. Our growing line of laminating and finishing supplies, including PVA and carbon braid, offers your facility the convenience of one stop shopping for these items.
