

# We Are OPEN!

At Spinal Technology, Inc., our dedicated teams have continuously met the needs of the O&P community, providing essential resources and fabrication, without interruption or delay. With the strategic advantage of maintaining two advanced full-service facilities, staffed with the highest skilled experts in the industry, we've been able to fulfill that mission, even in times of crisis.

We have remained open and fully operational throughout the challenging times of the Coronavirus (COVID-19) pandemic!

We are committed to supporting the needs of your patients, and the critical services O&P professionals provide!
