

## Megan's a blade runner

After her accident and amputation, Megan wondered if she'd ever run again. Her prosthetist knew that once she had healed, there was a way to give her a far better outcome.

The technicians at Spinal Technology are experts in fabricating the latest prosthesis technology to help patients like Megan lead full, rich lives. In fact, we have years of experience in fabricating lower limb prosthetics, using the most advanced materials and technology available.

Megan's new blade prosthesis is custom-crafted of lightweight carbon fiber, which helps her put smiles in her miles as she trains for her next half-marathon.

Find out for yourself. Call to place an order, and we'll show you how Spinal Technology can help you achieve better prosthetic results for your patients.
