

Go ahead – Pick our brains

IT'S ALL IN THERE.

From the most advanced to the most fundamental needs; Orthotic, Prosthetic, Tools, Equipment or Supplies, produced by the newest to the most seasoned O&P manufacturers.

Engage our experienced Sales and Customer Service Team on your next purchase.

Now more than ever, SPS is at your service.

It isn't just our warehouses that are overflowing with product. True, we carry more sku's than anyone else in O&P. True, we have just added a fourth Distribution Center in Middletown, PA to expedite northeast & mid-atlantic deliveries. And yes, our eStore carries over 97,000 sku's from over 250 vendors - *more than any other O&P online purchasing system*. But it is our people, their expansive product knowledge and our exceptional service that truly sets SPS apart.

Experience our Commitment. Call 800.767.7776 x 3.
