

SILHOUETTE™

- Multi-Axial Rotation
- Agile & Lightweight
- Easy to Finish

New Versa-Clamp allows use with pin locking system or provides fix when a Silhouette pylon has been cut too short. The extra length of the Versa-Clamp accommodates $\frac{3}{4}$ " pin length. The extended 34 mm tube clamp can be paired with pre-cut spacer rings of $\frac{1}{8}$ ", $\frac{1}{4}$ " or $\frac{3}{8}$ " to build back pylon height. Versa-Clamp is rated for weights up to 365 pounds.

The AC-195 Knee Pyramid Adapter

provides additional fitting options for lower extremity amputees. The AC-195 provides compatibility between all prosthetic knees that accept a 30mm pylon and the Silhouette™ prosthetic foot. The adapter has a weight limit of 300 lbs & has a product warranty of 24 mos.

FREE 30 can Rolling Cooler

with every SPS Purchase Order for a Silhouette prosthetic foot placed between April 1, 2007 and June 30, 2007. Wheel this soft-sided cooler along with you to parties, ball games or the beach. Lightweight and collapsible, the thick polyurethane liner will keep snacks or your favorite beverage cold for hours. Outside zippered pocket provides dry storage and elasticized mesh pockets provide quick access with total visibility.
