Grant some holiday wishes this season. The NEW second generation **Plie' 2.0 MPC Knee** has synergistic microprocessor and hydraulic technologies that deliver a highly responsive prosthetic knee, while providing natural and intuitive mobility to your patients.

Microprocessor control of both swing and stance phases delivers advanced stumble recovery capability.

The new game-changing **Plie' Set-Up Wizard** streamlines programing and set-up of the knee -- you could almost leave it up to the elves.

Please call your SPS Sales Manager to schedule a demonstration.
