

# Battling RAC Audits? Need Support Getting Paid?

## DOCUMENTATION SUPPORT AND EDUCATION

- Based on your requests and specific needs
- GOAL: To enhance your use of outcomes, evidence and technical writing in documentation

## RAC AUDIT SUPPORT

- Guidelines and process implementation assistance
- GOAL: To provide guidance on procedural updates and process flow improvements for documentation

SPS is providing individualized and detailed clinical documentation support through a partnership with Molly McCoy, CPO; an instructor in use of research and clinical documentation with 20 years experience in P&O

## CODE is here to help!

More than distribution.  
Partnership.
