[The cost to modify an ANSWER 2 SHOE to fit an AFO]

Never spend another minute modifying a shoe to accommodate an AFO, KAFO or orthotic insert. Answer 2 shoes have been specifically designed to meet the needs of orthotic wearers and diabetics, yet with contemporary styling children and adults will love to wear. So the next time you need a shoe for a diabetic or orthotic wearer, pick up the phone & give us your specs. **CALL 800.767.7776 x 3** for complete information on styles, colors and sizing options. Why would you start with any other shoe?

Answer 2 Shoes are available exclusively through SPS.
