

Come Full Circle

Only Ossur's Ceterus® offers this unique combination of action and benefits:

RESPONSIVE ROTATION

Torsion Control Cell™ mimics body's normal twisting motion with gradual resistance

ADJUSTABLE SHOCK ABSORPTION

Provides adjustable vertical compression that absorbs impact during entire stance phase

EFFICIENT ENERGY RETURN

Ossur's patented J-shape and CarbonX® Active Heel technology work together to increase stamina and deliver effortless, natural gait.

Ceterus (std module) & Ceterus Low Profile shown above. Shock unit of LP Ceterus (not shown) mounts directly onto foot module to provide extra low build height.

Receive a **FREE Sports Captain Chair** with every purchase of either:

- **Ceterus** (min/max clearance of 11" - 12 5/8")
- **Ceterus Low Profile** (min/max clearance of 9 1/6" - 10 7/8") OR
- **LP Ceterus** (min/max clearance of 5 3/16" - 6 3/16")

Offer is valid on SPS purchase orders dated Sept. 1, 2005 thru Dec. 31, 2005.
