

SHOES

» New Styles, Plus Additional Sizing!

Surestep footwear has been crafted with patients in mind and our new styles are no different! Offering the same adaptive features as our original sneaker line, they're perfectly paired with AFOs and SMOs. Kids will love the bright, colorful designs and parents will love the ease of donning. These designs are sure to be a hit this fall!

Visit [surestepshop.com](https://www.surestepshop.com) to view the complete line of Surestep footwear.
