

United States Manufacturing Company (USMC) and Seattle Orthopedic Group (SOGI) both started with a single dedication, "To help practitioners restore their patients' everyday lives".

Now we're one company, **Seattle Systems**™. With our combined strengths, we can deliver on our commitment to practitioners in a whole new way. With high quality products, better pricing, and device options that answer most needs of practitioners and patients - we're making a difference. Count on **Seattle Systems**™, we'll be there for you. Call your distributor or - call us direct at 800.248.6463.

"I like what I see. Two great companies combining strengths to serve me better."
